

3rd Year Revision Timetable

How to fill in your revision timetable:

1. **List all the subjects you do and break them down into sub-categories.** English, for example, may be broken down into the different books you are studying and then further into chapters/themes/quotes etc.
2. **Mix your subjects up.** Don't put all your hard subjects on one day, and the ones you like on another day.
3. **Balance revision time between different subjects,** however if you have an exam coming up, plan appropriate revision leading up to it.
4. **Make sure you include all the commitments you have e.g.** lessons, training, clubs etc
5. **Decide what times you work best and put the tasks that require more energy or concentration during your optimum times.**
6. **Give yourself regular breaks.** If when doing your revision you are doing well, you can always decide to keep going.
7. **When it comes to the end of the week, review how well it worked and make changes to the next week if you need to.**
8. **Put copies of the timetable up at home** for everyone to see. If they know you are revising they will leave you alone to get on with it.
9. **Colour code each of your subjects** as this will give you a visual aid as to how much time you have committed to revision of each subject but don't spend hours making it look pretty!
10. **Don't forget to fill complete your weekend timetable too.**
