

Coláiste na hInse

A Thuismitheoirí, a Chairde,

October 2020

Over the last number of years, you have been considering second level opportunities for your child. The decision to commit to a school for these important years is a big decision for the entire family. We take your decision to trust us with your child's education very seriously. We would ask you to look at our school mission statement and vision which we embody each day.

Coláiste na hInse is a school of Excellence where students are happy and secure in a learning atmosphere characterised by Dearfachas (positivity) and belonging. There is a unique emphasis on ár dteanga Gaeilge (our Irish language) agus ár gcultúr (our culture). We focus on the whole young person and aspire to develop each as an intellectual, emotional and spiritual individual. The cornerstones of our philosophy are Bród (Pride) agus Uaillmhian (Ambition). We encourage the highest standards in ár daltaí (our students) ensuring that they reach their full potential through strong relationships and positive reinforcement.

Our school motto is: Aimsigh do Réalt Eolais (Reach for Your Star)

What we are about in CNI is positive reinforcement of students, highest expectations in academics, positive behaviour, effort, strong student-teacher relationship, good manners, kindness and a strong emphasis on ár dteanga (our language). We are not about being soft on the small things. When joining CNI you are joining a family that is tightly run, very demanding in relation to effort and attitude that has student performance and welfare at the centre of everything we do.

We look forward to working with you and your daughter/son to develop them as an intellectual, emotional and spiritual individual who is filled with bród, uallmhain and dearfachas.

Is mise, le meas,

Ms. Sarah Ross

Acting Príomhoide
