Senior Cycle Options

Final Senior Cycle Options Form: Deadline Monday 24th February

Your son/daughter has a choice to make about their future programme in Coláiste na hInse. They have two programme choices:

1. **Leaving Certificate Applied:** The Leaving Certificate Applied, a variant of the traditional Leaving Certificate, is taken to prepare the student for adult and working life. It consists of three elements. These are *General Education*, *Vocational Education* and *Vocational Preparation*. It is designed to emphasise areas of achievement and excellence which are not catered for by traditional academic programmes.
2. **Established Leaving Certificate:** The Established Leaving Certificate is the most common programme taken. All students study three core subjects for the Established Leaving Cert: English, Irish and Maths. They study three non-exam subjects: Coirpoideachas (PE), Creidimh (Religion) and SPHE. All students need to choose four optional subjects.
 - a. **Leaving Certificate Vocational Programme:** The programme is run alongside Established Leaving Cert and includes two *Link Modules*, Preparation for the World of Work and Enterprise Education (please note – this programme will only run subject to interest)

Enclosed in your documentation you will find your established leaving cert options' form (1A) – compulsory for all students to fill in; and a Leaving Cert Applied Form (2A). Please take your time to read these forms and familiarise yourself with all the information provided.
