

Coláiste
na hInse

DATE: Wednesday 9th of October 2024

Dear Parent/Guardian,

Scrúdú (Examination)

As part of academic monitoring in Coláiste na hInse we administer testing for incoming 1st Years. Your son/daughter missed this in January and we are therefore testing them now. This examination is not to be a source of worry. Its purpose is to inform ár múinteoirí (teachers) about any needs or special abilities your child has so we can better support them in reaching their full potential.

The date of the Scrúdú (Examination) for your child is set for **Wednesday the 9th of October** as per time below. Please note it is a full school day as usual. Students will attend classes as normal once testing is completed.

| Room | Period |
|------|--------|
| B15 | 1 & 2 |
| B16 | |

Scrúdú Equipment (Examination Equipment)

As the assessment will be conducted on a computer covering spatial, mathematical, and verbal reasoning the following equipment is necessary:

- A set of **wired** ear/headphones. **(No wireless headphones/earbuds allowed)**
- Pencil and Paper for rough work

Is mise, Le meas

Eilís Flood
