

Agreed Matters for Reporting to Parents/Guardians

Congratulations was extended to all our sports teams on their performances so far this year. Sympathy extended to three students who lost close family members since the last board meeting on 25th January 2023.

No major works have been completed in the school since our last meeting. Some additional works planned during the Easter holidays and after state examinations.

Shortages still remain in some subjects particularly in home economics, Irish, mathematics, biology, construction and engineering particularly. Recruitment for 2023/23 has begun this week.

Student and past student achievements

- 1st Year Girls Basketball North Leinster Champions
- 1st and 2nd Year Boys Basketball North Leinster Champions
- U19 Boys won the Northeast league and got to the Leinster final in the cup
- U16s and U19s North Leinster Finalists
- 19 boys' basketball after winning their regional final - lost in the All-Ireland Semi-final against the side that went to go on and comfortably win the final – game was played in the National Basketball Arena in Tallaght.
- U16 girls' basketball after qualifying from their regional final lost in the last round of 16 in the All-Ireland playoffs in January
- We have been chosen to host the 1st year girls' tournament which is a great honour and all three of these All-Ireland playoff tournaments will be played the week we return after Easter – winners going forward to a semi-final round robin.
- Past Pupil NO'C was nominated by Screen Ireland for Young Filmmaker of the year
- 6th Year Dalthí GN and KN made the DKIT All Stars Team of the Year
- Past pupil EF for getting his first Senior Goal in an Irish Jersey
- Past Pupil NG was invited to South Korea to present her thesis on Deaf Studies

Being mindful of the cost-of-living crisis, student direct costs will remain the same again this year for all year groups.

Proposed: *Aisling Magee Power.*

Seconded: *Ross Mooney.*
